

5th International Bridge Festival MADEIRA

Funchal, November 11-18, 2002

17 November 2002

Editor: Jaap van der Neut

It is Italy after all.

The tournament had a crazy ending. The last two round were Danish and this resulted in LAVAZZA playing the strong Dutch team MAAS twice at table 1. LAVAZZA won the first match 16-14 and the second ended in a tie: 15-15. The second Italian team ALLEGRA profited by a substantial win the last round at table two overtaking both top teams with no margin to spare. Congratulations to:

Norberto Bocchi - Giuseppe Lavazza
Mario D'Avossa - Stelio di Bello

Mrs. Lavazza herself watches Duboin-Ferraro defending her colors at table 1 against Maas - Trouwborst. Neither team won the Festival.
